

# More Than Books: Adventures Start Here!

Get ready to escape the ordinary and set sail for a summer filled with fantastical tales!

We have a great Summer Reading Program mapped out that has something for every explorer. The calendar is jam-packed with amazing activities, including a variety of special programs, storytimes, weekly contests, and more.

Join us this summer as the Oscar Grady Public Library offers incentives throughout the program to promote reading!

The library offers two children's reading programs: *Summer Tots* for babies and toddlers and *Read and Bead* for children and tweens. Reading game sheets along with library necklaces will be available at registration starting Tuesday, June 11.

We look forward to seeing you at the library all summer long!

The Summer Reading Program was made possible through the support of the Friends of the Oscar Grady Public Library.
